

**Georgia Plant List (v10.13.15)**

| <b>Nectar Plants*</b>     |                            | <b># Georgia species observed nectaring on plant (if known)</b> | <b>Native to U.S. (Y, N - if N status)</b>  |
|---------------------------|----------------------------|---|---|
| <b>Common Name</b>        | <b>Latin Name</b>          |   |   |
| Abelia                    | Abelia grandiflora         | 24  | N   |
| Bitterweed,<br>Sneezeweed | Helenium amarum            | 33  | Y   |
| Blackberry                | Rubus sp                   | 42  | depends on variety  |
| Blazing Star              | Liatris spicata            | 46  | Y   |
| Brazilian Vervain         | Verbena brasiliensis       | 51  | N   |
| Butterfly Bush            | Buddleia davidii           | 36  | N   |
| Butterfly Weed            | Asclepias tuberosa         | 21  | Y   |
| Buttonbush                | Cephalanthus occidentalis  | 45  | Y   |
| Calico Aster              | Symphyotricum lateriflorum | 36  | Y   |
| Chickasaw Plum            | Prunus angustifolia        | 22  | Y   |
| Cosmos                    | Cosmos bipinnatus          |   | N   |
| Daisy Fleabane            | Erigeron strigosus         | 24  | Y   |
| Egyptian starflower       | Pentas lanceolata          |   | N   |
| Elephant's foot           | Elephantopus tomentosus    | 29  | Y   |
| Elliott's Blueberry       | Vaccinium elliotii         | 17  | Y   |
| False Garlic              | Nothoscordum bivalve       | 33  | Y   |
| Frost Aster               | Symphyotricum pilosus      | 26  | Y   |
| Goldenrod                 | Solidago gigantea          | 29  | Y   |
| Groundsel                 | Baccharis halimifolia      | 19  | Y   |
| Hairy Clustervine         | Jacquemontia tamnifolia    | 27  | Y   |
| Heliotrope                | Heliotropium amplexicaule  | 23  | N   |
| Hysoopleaf<br>Thoughtwort | Eupatorium hyssopifolium   | 21  | Y   |
| Ironweed                  | Vernonia novaboracensis    | 23  | Y   |
| Joe Pye Weed              | Eutrochium purpureum       |   | Y   |
| Lantana                   | Lantana sp                 | 37  | N - GA Cat. 3 exotic plant (minor problem in natural areas, problem in adjacent states) |
| Late Boneset              | Eupatorium serotinum       | 21  | Y   |
| Long stemmed Aster        | Symphyotrichum dumosum     | 30  | Y   |
| Lyre-leaved sage          | Salvia lyrata              | 20  | Y   |

|                       |                                     |    |  |
|-----------------------|-------------------------------------|----|--|
| Maryland Golden Aster | <i>Chrysopsis mariana</i>           | 21 | Y  |
| Mexican Sunflower     | <i>Tithonia rotundifolia</i>        |    | N  |
| Mistflower            | <i>Eupatorium coelestinum</i>       | 26 | Y  |
| Mountain mint         | <i>Pycnanthemum pycnanthemoides</i> | 38 | Y  |
| New Jersey Tea        | <i>Ceanothus americanus</i>         | 41 | Y  |
| Nodding Thistle       | <i>Carduus nutans</i>               | 38 | N - GA Cat. 3 exotic plant (minor problem in natural areas, problem in adjacent states)  |
| Petunia               | <i>Petunia spp.</i>                 |    | N  |
| Pink Fuzzybean        | <i>Strophostyles umbellata</i>      | 17 | Y  |
| Poor Joe              | <i>Diodia teres</i>                 | 25 | Y  |
| Purple Coneflower     | <i>Echinacea purpurea</i>           | 27 | Y  |
| Purple False Foxglove | <i>Agalinis fasciculata</i>         | 18 | Y  |
| Ragwort               | <i>Senecio anonymous</i>            | 17 | Native and introduced varieties  |
| Rattlesnake Master    | <i>Eryngium yuccifolium</i>         | 11 | Y  |
| Redbud                | <i>Cercis canadensis</i>            | 17 | Y  |
| Rustweed              | <i>Polypremum procumbens</i>        | 17 | Y  |
| Selfheal              | <i>Prunella vulgaris</i>            | 41 | Y  |
| Sloe Plum             | <i>Prunus umbellata</i>             | 17 | Y  |
| Southern Crownbeard   | <i>Verbesina occidentalis</i>       | 24 | Y  |
| Southern Dewberry     | <i>Rubus trivialis</i>              | 19 | Y  |
| Sparkleberry          | <i>Vaccinium arboreum</i>           | 36 | Y  |
| Spurred Butterfly Pea | <i>Centrosema virginianum</i>       | 32 | Y  |
| Stiff Verbena         | <i>Verbena rigida</i>               | 48 | N -Ga Cat. 4 plant (naturalized generally does not pose a problem in natural areas or potentially invasive in need of additional information to determine its true status) |
| Stinking Camphorweed  | <i>Pluchea camphorata</i>           | 24 | Y  |
| Sunflowers            | <i>Helianthus</i>                   |    | Y  |
| Swamp Dogwood         | <i>Cornus amomum</i>                | 17 | Y  |

|                           |                              |    |   |
|---------------------------|------------------------------|----|---|
| Sweet William             | <i>Dianthus barbatus</i>     |    | N   |
| Tall Garden Phlox         | <i>Phlox paniculata</i>      |    | Y   |
| Tall Thistle              | <i>Cirsium altissimum</i>    | 30 | Y   |
| Tall Verbena              | <i>Verbena bonariensis</i>   |    | N -Ga Cat. 4 plant<br>(naturalized generally does not pose a problem in natural areas or potentially invasive in need of additional information to determine its true status) |
| Tickseed                  | <i>Coreopsis grandiflora</i> | 12 | Y   |
| Toadflax                  | <i>Linaria canadensis</i>    | 19 | Y   |
| Waterpod                  | <i>Hydrolea quadrivalvis</i> | 19 | Y   |
| Water-willow              | <i>Decodon verticillatus</i> | 23 | Y   |
| White Clover              | <i>Trifolium repens</i>      | 26 | N   |
| White Crownbeard          | <i>Verbesina virginica</i>   | 35 | Y   |
| White Snakeroot           | <i>Ageratina altissima</i>   | 20 | Y   |
| Whorled Leaf<br>Coreopsis | <i>Coreopsis major</i>       | 21 | Y   |
| Wild Bergamot             | <i>Monarda fistulosa</i>     | 18 | Y   |
| Yellow Wood<br>Sorrel     | <i>Oxalis stricta</i>        | 17 | Y   |
| Zinnia                    | <i>Zinnia sp.</i>            | 30 | Native and introduced varieties   |
